The Premises:

A flat near the City Centre (but not quite walking distance) which is relatively easy to find. Clean and comfortable enough but nothing special.

The Lady:

Petite Indian/Pakistani girl with big natural tits. Would describe her more "girl next door" than bombshell so was disappointed in that respect as was expecting a real stunner.

The Story:

I have only ever punted in Manchester at Sandys and had a theory that for agencies to flourish in such a punting nirvana the girls must be spectacularly good looking and the service top notch. Always been partial to Indian/Pakistani girls (or rather a certain type) and liked Layla's photos so decided to take a punt.

The agency were very good in organising the punt and to be fair Layla provided a top notch service and is a pleasant girl. Lots of kissing, great blowjob, ball licking, RO, various positions and finished with CIM.

But, and I guess its no reflection on Layla but more my punting style, I very rarely have 1 hour punts in England and on the 6 occasions I've booked for an hour I have only walked away feeling totally satisfied once (a different Laila). If say, this had been a 30 min session for 80 quid I would be very happy. Guess, the other lesson learned is for a 150 quid plus session I will only go for it if the girl has pics of her face so I'm sure she's my type.

Nevertheless, given the level of service, if Layla is your type and a 1 hour punt is your style, I would recommend but unless there are exceptional circumstances, I will stick to Sandys in Manchester.
