The Premises:

Ground floor flat about half a mile north of town centre, close to bus and tram stops, plenty of free street parking. Clean, safe, quiet, pleasant.

The Lady:

Bekki is about 5'2", dark hair, full natural breasts, early twenties, - and very attractive. Photos don't do her justice.

The Story:

Bekki arrived just after me, slightly breathless, apologised for being late, and promised to make it up to me. We went into the flat together, and after cuddles and kisses, started to undress each other. When I got down to her bra and pants, I thought I'd died and gone to heaven - she is absolutely gorgeous - slightly plump about the tummy and thighs (if you get off on beanpoles she might not be for you) lovely unblemished skin - and to me about as near perfection as you can get. She is also a lovely, warm person, very easy to talk to, very responsive, not trying to push her own agenda as some girls do. She told me if there was anything at all I fancied I only had to ask, and I don't think I've ever spent a happier hour with a working girl. I won't go into details, except to say Bekki will do pretty much anything within reason - but with somebody so lovely it almost doesn't matter what you do, just to hold her, touch her, and feel her young body against your own would be enough. She doesn't clock watch - I lost track of time and probably had more than 60 minutes - and I left with very warm feelings towards her.

A truly special girl, who gave me one of the best experiences I've ever had, and I can't wait to go back. I did try her number a couple of times a few days later, but she only works part time so isn't always available.
