The Premises:

Decent discreet parlour next to Don Valley Stadium with good rooms.

The Lady:

Very pretty Spanish girl with shortish blonde hair, prob size 10 with nice figure and tits. Very friendly although her English is not brilliant. Having said that it's certainly good enough to get by. There were 2 other girls available but I chose Catarina based on other reports although I would have chosen her anyway as she was the best looking and friendliest when introduced.

The Story:

Brilliant punt!!!

Started off with her rubbing her body on mine while fondling my cock and balls followed by some exceptional OWO. Then she laid next to me and we kissed deeply and passionately - a really great french kisser. I then went down on her for some reverse O and she was very responsive. On with the mac and sex in missionary with loads of deep kissing until I came to a mind blowing climax.

This is one of the best girls I have seen and the value for money is second to none. Catarina is a star so go and see her guys and be nice to her!

Thanks Catarina - I will return!
