The Premises:

Clean safe secluded location, no problem with parking and quiet and discreet residential area near the coast.

The Lady:

A lot larger than the website photos, strongly suggest that the website photos be updated as these are no longer representative of the lady that I saw & met.

The Story:

A warm and friendly lady. Obviously this lady has been doing this a long time, e.g. there are field reports a dozen years previous to mine referring to the same website. This is my criticism as Samantha is a good 20 pounds at best and 2 stone or more at worst fatter than the website pictures and therefore not representative of the lady I thought was on offer. Samantha is friendly enthusiastic about what she offers and is generally good at the service she provides. A snag is she had a tendency to talk about other clients, their sexual prowess, tales of their encounters and in general this was very off putting. I would have declined at the point at which she greeted me at the door but as she was fully dressed it was not apparent that what was on offer was not as represented on the website pictures which as said urgently need updating & replacing. Samantha has a no rush approach that may appeal to the 60 plus age group but I was thoroughly disappointed at what was unwrapped under her clothes when I received my service. Would defiantly not return and no where near worth ?100.
