The Story:

Jenny led me once again for the third visit as before up to the top room and left me to ready my self
whilst she went to freshen up
when she returned i was face down and ready for a good massage this she executed with
enthusiasm it was so great i nearly forgot what i was reallythere for i could have let her do it all day
she turned me over and again applied her technique to my front working downwards and slipping
the jacket on she began to demonstrate what else she was good at giving me expert O asking if i
was enjoying it she ask me to returnthe favour and so i did 69 and was there for sometime but had
to surface for air and a wipe due to the moist face from that sweetest of pussy that im sure i heard
purr
well i decided to have a bit of visual stimulation so she lay back and played with that pussy while i
had a good hand job soon i was unloaded and it was over finishing was my only dissapointment
but i will be there again time and time again as this girl is Goodd
