### The Premises:

First visit to Karma Sutra Girls. Really good parlour. First impression is that it's of a similar standard to Sandys. Really clean and room with an equally clean en-suite shower room. Front entrance off busy main road with a more discrete rear entrance.

### The Lady:

Seen Jennie many times - OK I'm a sucker for great looking blondes who blow my socks off and Jennie does that for me every time. I also appreciate brunettes and most other hair colours, it's really getting the socks blown off that counts.

### The Story:

I'm bog standard in what I like. Snog, tongues if I can get it, uncovered blow job and sex in a variety of positions. Jennie delivers this whilst making you feel she's only concerned about you. No clock watching just great sex. This time I was just a lamb being led to the slaughter. The slaughter was enormous and very satisfying. If you do not go and see Jennie you need your head examined.
