### The Premises:

OK from the outside but dark and dismal inside.

### The Lady:

As pics I think but as flat almost dark hard to tell. Tall, blonde, Italian girl who spoke reasonable English. Pierced tongue and clit.

### The Story:

Recommended by the agency and has good reviews on their website so went for it, wish I hadn't. No FK, no OWO so a real downer on that side. Sex was OK but unenthusiastic on her part. Round 2 didn't seem on the cards so left early. IMO a waste of money.
