Absolute stunner, my idea of a perfect woman (I have a thing for small pert boobs) gorgeous long hair and lovely toned slim body

The Story:

Being a relative newcomer to this, and feeling somewhat nervous I found Penny put me at ease straight away, and gave me an absolutely wonderful back massage and the feel of her toned body rubbing on mine was simply delicious :) before she asked me to turn over upon which she worked her magic on me and gave me a very happy ending to the visit

My only regret was that I didn't book for a longer visit
