### The Story:

Lead to large bedroom by maid and took a seat. Met two ladies decided on naomi as when she turned and left the room the view was great. Paid 60 to maid for half hour full service. When naomi returned i asked her if she had been busy she said she didnt speak english so got down to business. As soon as i was on the bed she went straight for it with the rubber and like a jack hammer. Then a few positions and it was over. Seemed a bit rushed so let with 15 mins left. Due to the rush and the fact that we couldnt talk ment that i didnt enjoy it as much as i could have. She is an attractive girl so maybe someone who can speak her language may have a better time.
