The Premises:

An apartment in a newly built block in the town center, so very neat and clean. Down a quiet side street so should not be a safety issue.

The Lady:

Very pretty french girl, dark hair, slim build, the website seems to be slow at updating the pictures for new girls so hopefully should be added soon.

The Story:

I have a thing for french girls so when I found that Nicole was working today as a substitute I had to visit.

The maid is one of the gruff types and although you can imagine some punters do behave like pillocks if she is not firm with them, it is still a bit offputting.

It is £60 for the basic half hour but paid £80 for the 40 minute with extras such as FK and RO.

Unfortunately Nicole said she does not kiss but apart from that it was a lovely session. She is friendly and reasonably attentive and helpful and I enjoyed my time with her. Glad I went but with having paid extra but no kissing may wait for one of the other french girls to come on the rota.
