The Premises:

Interesting area in city centre, bounded by a raft of chapels on every side! New high quaklity appartment development, which lacks (today, anyway) the obviously necessary signs indicating which door gives onto which appartments, and once inside, which floor which appartment is on! Utterly safe, and parking easily available @ ?1-40 an hour.

Appartment minimally furnished, and spottlessly clean.

The Lady:

A true pocket rocket! I was welcomed by this vision in fuck-me shoes, and minimal lingerie, with a shoulder length blonde mane. Fabulous figure, with responsive (if improved) breasts. With heels, she still made me look tall!

The Story:

In 45 minutes one doesn't expect the full GFE with mutual undressing and loads of foreplay, and I wasn't after that anyway! This lady says she is naughty everyday, and she was. We started, at her suggestion, with her on top, which was good, and then changed to missionary at mine, which was better, laced with some nice dirty talk which I like, then, after I'd got my breath back, I enjoyed a massage and wide ranging chat about this, that and the other.

A most enjoyable punt.
