The Premises:

An easy drive from J33 of the M1. Located in a quiet residential area with safe, off-road parking. The entrance door to her ground-floor apartment is only a few steps from the car and is not overlooked. I saw nobody when arriving or leaving.

Katrina's modern apartment is well furnished, clean and tidy. There is a shower and clean towels are available.

The Lady:

In her 40s, so ideal for those of us who enjoy the charms of a mature woman. Blonde, 5'4" tall, 36D bust with brown eyes. Friendly, outgoing and eager to please - and be pleased! Dressed sexily, as requested, in revealing basque, black stocking and heels.

The Story:

Passionate kissing and fondling in the hallway moments after I entered set the tone for what was to follow. I was taken into the lounge and offered tea which was welcome after a long journey. We sat on the sofa sipping tea, hands exploring each other and chatting.

Once in her "boudoir" next door, she dropped to her knees and took my cock deep in her mouth, gazing up at me as she did so. Soon she finished stripping me and we were on the bed and enjoying some uninhibited sex. It was not long before her basque came off and she lay before me for my pleasure naked apart from those black stockings. Our mutual pleasure involved my spanking her, exploring her body with hands, lips and tongue and using her vibrator as I sought out her G-spot to bring her to a climax. Her oral techniques are excellent. I finished by cumming over those lovely tits of hers while she rubbed it over her body. We finished by stroking and fondling each other as we chatted like old friends.

Thanks, Katrina, for a great session. Pity I live so far away.

Guys, she is to be recommended - but treat her well, she's worth it.
