### The Premises:

GFE is a well-known parlour in Attercliffe. There is road-side parking nearby if you'd rather not use their car parking. The place is clean, well-decorated and attractive inside. One of Sheffield's best parlours. Staff are very friendly and tea/coffee is always on offer. There is no admission fee.

### The Lady:

Kandi is slim and above average height especially in her heels. She has skin the colour of milk chocolate and just as smooth. She is very attractive with a lovely smile and beautiful large but firm breasts.

### The Story:

I asked for a GFE and Kandi seemed happy to oblige. We started off with a great massage and it was obvious she had learned how to give a proper massage rather than just a rub down. After she turned me over we kissed and cuddled for a while and I enjoyed the feel of her heavy breasts rubbing against my chest. Then she slid down to give me OWO.

It is the quality of the OWO that has made me write this review as I don't usually post about the girls I visit. Kandi was truly exceptional. She took me right down her throat all the way until her lips were pressing against my belly. I've seen deep-throat on videos but never before experienced anything like this at a parlour. She'd take me all in and then hold it there for ages. It was all I could do to restrain myself as she did this over and over.

I then had some more kissing and fondling before going down on her. She tasted so sweet and seemed to enjoy the experience. Some more deep throat, then it was on with the condom and Kandi climbed on top before we switched to doggie by which time I blew my load and collapsed exhausted but happy as we lay cuddling and chatting until the time was up.
