The Premises:

A basement near to Tottenham Crt Rd. I felt safe, afternoon coffee places full of students. The room was basic with a bumpy bed and little decoration. Sonia said her first day here and not too pleased.

The Lady:

She is a Polish blonde about 30 yrs old, I thought good looking with a petite body and handfuls of breast. Her tanned skin, sunbed brown, was lovely to stroke and lick. I think very fuckable and an appealing smile. Afternoon delight.

The Story:

She is very active and enjoyed fucking and being fucked. Her OWO was fun and she sighed and moaned when in the assumed position with a cock in her cunt. I came twice though the second time was an effort looking at her pussy whilst being pulled. She does not RO a pity for a boy that likes his tongue to massage the walls of a firm pussy nor does she allow vaginal massage by digit. With these reservations I would return and enjoy looking at a good body and pretty face of a woman who seems to enjoy fucking. The sight of her in tight jeans and a top were enough to make the journey to the tube a delight.
