The Lady:

Gorgeous young tall slim toned tanned quite busty 34c ? blonde , early twenties.

The Story:

Dolly greeted me at the door in a bathrobe , seemed like the excellent pictures on the web so agreed a quickie service - ?40.

Undressed & laid on the bed , soon joined by Dolly. She has a perfectly flawless sexy body !. Immediately giving me excellent oral with a condom with deep lingering strokes, soon gesturing her long blonde hair was getting in the way for me to hold it back , after a short time i had both hands on her head guiding the rythm & strokes as my cock penetrated her mouth, dolly a willing participant all the while!.

Soom became too much and moved into missionary position her long legs bouncing around above my head as i penetrated deeper & deeper until a full & satisfying orgasm then slowly removing my cock from the grip of her pussy lips.

Thoroughly recommended , you will not find a prettier younger more willing girl for the money. i am thinking about going back very soon !.
