### The Premises:

nice clean flat in large apartment building opposite the tube station.

### The Lady:

Very slim petite young 20years old polish girl with huge full round breasts.

### The Story:

Agreed on a quickie , just oral without to completion in the mouth.

I knelt on the bed with Jasmine on all fours in front of me leaning forward to suck my cock guiding the pace, depth and rythm with a firm hand on the back of her head , slowly at first then quickening the pace until an almighty explosion, choked a little with the first blast but continued expertly as my cock twitched inside her mouth extricating herself only when i was completely satisfied even licking the end of my cock as it slowly sliped from her mouth !. very nice.

Recommended & may return to shag her - note not included in the basic 15min service.
