The Story:

Wow! Great welcome, long deep french kiss and then onto her knees for some owo. Then we said Hi. Made me feel at ease (and horny) quickly. Asked me how many times I would like to cum, how and where. Then proceeded with some more kissing, fondling and more owo, paced to perfection. Read signals well and after about 20 minutes came on her face, which she promptly went off to admire in the mirror. Cleaned up, came back and followed up with a relaxed sensual massage, culminating in some more owo, but continuing to read the signals well, this time faster and deeper and finishing in her mouth. Had gone slightly over the hour by this point but no rushing out the door, pleasant chat as I got dressed and another great kiss farewell. I have experienced some awful 'Blind' punts previously but thanks to a bit of research through this site, found a real gem, thanks Punternet. Will definitely be going back to see Sam again.
