The Premises:

Well known budget hotel in central Feltham. Clean room and shower facilities, easy parking.

The Lady:

Petite lady, long brown hair, slim, about 5ft 4in, pretty.

The Story:

I was pleasantly surprised when she opened the door to greet me, better than the photos, a beautiful girl, mid 20's, wearing clingy top, jeans and 5in heels. Sounded like an Italian, but could have been Romanian as they have similar languages.

Got over the formalities and proceeded to the fun part.

Great kisser, bj and fuck. A really nice girlfriend experience. She has eyes and a look that make you think you are going to fall for her, she was soft and tender with her movements, she would look you in the eyes and wipe your forehead or cup your face in her hands. She was willing to please. Definitely in my top 4 all time great escorts.

After the two hour session, had a shower together, and it was just so nice, she didn't stop the kissing.

I have paid a lot more for escorts and got a lot less, Katia is just one in a million, Will definitely see her again.
