The Premises:

nice flat in safe area. Good facilities. clean.

The Lady:

Latin looking lady with fair hair. Short probably 5 ft 2. Good boobs and good figure with good legs. Pocket Goddess. Said she was 24/25 and she looks it. Good skin. Says she is from Spain.

The Story:

Saw this petite curvacious girl and was really pleased. She is nice chatty and friendly. She started with owo was good. It felt like she knew how to suck. On with mac and cow girl so I could have her ride me hard and good whilst I enjoyed squeezing her tits. Then changed to doggy style and enjoyed the view of her juicy ass whilst I pounded her. Enjoyed squeezing her ass and tits as i pumped this petite tiny sexy slut. I love all the girls from this group. They are nice and friendly but are very good sex workers. It is a kind of a brothel full of young attractive girls who are all very experienced on how to entertain men.

Will definitely return to this place and will see Alicia again. Next time will try her anal service. This is very good value for money and she looks so good that you would think she would charge more.
