The Premises:

Not been her for a few months but they have now moved to a modern flat on the edge of Kingston. As they are on a main road parking is not possible but very limited pay parking behind, also a large council estate which is supposedly parking only for residents but I am always paranoid about getting parking tickets. Parking is available under the flat but maid had not been given the remote to open the gate. Norbiton station is closer than Kingston. Flat was okay, clean enough.

The Lady:

Lucy is from Hong Kong, aged 22 about 5' 2", 34b, long hair with a fringe, really quite pretty. Didn't speak much English, though.

The Story:

Price is reasonable, 30 minutes includes OWO. ?50 for OW. Got down to it straight away, OWO then reverse oral and finally into mish for a while until I think she came. Ended with some massage.
