The Premises:

Easy to find, non-descript town house in a row of similar recent build houses. Good area for car parking, and shopping

The Lady:

She wasn't what I was expecting, not least cos I was expecting a tall Italian brunette. However, she was tall (in heels) and she sounded Italian, so I assumed that it must be her. But the main difference from her online photo's is her hair. Its no longer raven black, but mousey fair having only dyed it the day before. But other than her hair, she does look like she does on her photos

The Story:

The one thing that the photo's don't convey is her lively and engaging personality. My first impression of her is that she is very chatty and very out-going. Never a dull moment with her.

This encounter was literally a game of 2 halves - with all the action in the first half and relaxing conversation in the second.

Once we both stripped she revealed a skinny body with small tits. We were both naked and we came together in a clinch. She teased me with her kissing style. As I went to kiss her, she darted her head back, and as I leaned my head back to appraise the situation, she swooped her head forward and snatched a kiss on my lips. We carried on kissing and pecking at each other in attempted but playful kissing. She then invited me to lie down on the bed. The next 30mins was full-on action.

Dita purred like a tiger at me as she hovered over me and pinned both of my wrists as she looked down at me and smiled. She then moved her slender body all down mine and let her breasts dangle over my cock. She then placed her head between my legs and for a couple of mins gave me an exquisite lick on my scrotum. This was electric and I tingled with pleasure as her tongue went to work. Then it was on with the condom (a little too early for me) and she gave me a covered BJ. All the while Dita gave me eye-contact. Then I glanced to my right to see the reflection of this beauty

crouching down into me and sucking me wonderfully. Even tho it was a covered BJ, it still felt great, and being covered it probably held the rising sap at bay. Then it was CG and I reached up with both hands to tease her nipples, which she gasped at, and then she moved my hands down to clasp her slender bum. Then we moved into doggie and we shagged rapidly like this for 7mins (I timed it!). We both were really enjoying this.

Then Dita mounted me for our second CG fuck. She crouched on her heels and let me enter her and bounced her body up & down on my cock. I gave a few thrusts in reply and she moved herself up & down on me ? not all the way on my cock, just up & down on the helmet. Effectively she was massaging the head of my cock with her pussy muscle, and I was at her mercy. I just lay there as she worked my helmet and the sap rose quickly.

I was now spent and with just under 30mins left we spent the remainder of the hour lying together, stroking each other and talking endlessly. She was easy to egage with and interesting to talk to, however, it was evident that there was to be no Round 2, and Dita wasn't going to initiate it.

After the hour was up and I headed over to the pub to watch the football, I reflected that I would see Dita again, in spite of the limitations she doesn't do DFK nor does she like having her tits sucked. But the sex was great, and she's wonderful to spend time with, and there's so much activity that I want to do with her!!
