The Story:

I had saw a previous report about Ann Joy and it sounded right up my street so i arranged my visit.

Somehow I don't think me and "rockyrobin" got the same girl as the one I ended up with was nothing like his description. More than likely it was the typical transferring of girls around while still using the same name. The one I got was horrendous and although she tried to put on a show her heart wasn't in it. After a bit of struggling with a BJ the door went and when she left to answer it that was my cue to get dressed and leave. I had more enjoyment when I got home and threw my hand on the bed and attacked it!

Avoid at all cost, unless you are sort of sadist!!!
