The Premises:

Basic tenement flat in the Charing Cross area. The close was very dirty, full of cigarette ends and looked as though no one had washed the stairs since it opened but the flat itself, although basic, was clean enough.

The Lady:

Early 20s Polish girl. Tall (5'7"ish), shoulder length dark hair, with a delightful figure that incorporated a good handful of pyramid shaped breasts with sticky up nipples. Sort of ordinary looking girl but very pretty at the same time.

The Story:

I tend to think the reports that are left by punters who say they don't like to say too much about their encounters are a bit of a waste of time as the rest of us read the reports to get an idea of what we can expect and that is why I usually leave quite a detailed rendition of what I get up to. However in this instance I'm afraid all I can say is PHEW! And not because it was the middle of a heatwave. I just don't know where to begin.

Roxy was up for just about anything I asked for and has to be the best - bar none - GFE/PSE mix I've ever had, and I've had a few. If you read some of my other reports you'll see that I am the kinky type (without being dangerous) so if she can put a 2-day smile on my face then she is bound to be able to satisfy you.

I should say that that this was her first week working and she had travelled up from London with the intention of leaving this Sunday. You will probably have to look out for her next visit and make an early booking. Miss her at your peril!
