The Story:

Finally I managed to book Aisha.I must say the lady has got some extra ordinary personalities. I tried to see her for a long time and she noticed that I called so many times.so when I actually called again trying to book her she spoke to me personally and agreed for the appointment.Now that shows what a caring and understanding person she is.When entered she removed my socks, trousers and shirts and folded them very nicely. she asked me about how I was.She was smiling all the time and was very attentive to me. She offered me a shared bath with plenty of attraction, massaged me,gave a wonderful blowjob. truly girlfriend experience.I was amazed with her.Then she dried my body with the towel and take me to the bedroom .On the bed plenty of dfk, wonderful rimming session.Then I licked her sweet pussy and boy it was so sweet.had a passionate sex with her-- mind blowing.I don't want to go for too much detail as all of you know how good she is at bed.But I would like to say I was in heaven for an hour. The lady is so passionate you will be amazed.she is so caring, and she will make every single seconds of your stay enjoyable.Guys treat her with respect she will show what a lovely and wonderful person she is and why she is the best.She is the best of the bests.Aisha take my salutes and will see you soon..lots of love to you.
