The Premises:

Very Clean and Professional Place hosted by a extremely attractive and friendly maid.

The Lady:

Absolutely Beautiful and gorgeous girl, I dont know where to start, her beautiful formed natural breasts or her round smooth but or her lovely blonde hair.. she has got them all.. not to mention the twinkle in her eye the lovely smile or the way she carry herself.

An absolte treat.

The Story:

she made me feel at home with lots of hugs, kisses and cuddles, her OWO skills are quite amazing and worth letter her at it.

She is quite easy to talk with so I tried a few positions and in end decided to end it at cow girl, and boy what a wonderful view it was to end it in.

Just a note, I took a cocktail bottle and she really appreciated it, I think doing something little as a token of appreciation goes a long way.
