The Lady:

Sarah is much more beautiful then what i saw in photos on HOD website. Most girls would say they are 25 but actually they look 35 but in this case I was surprised to see a girl who looked in early 20s but stated to be 28. She has the best boobs i have ever seen in my life and lovely sweet lets which match up to her long pins (legs).

The Story:

I must say I got a bit excited at first, but she recognised the signs and slowed down her OWO giving me time to be ready again.

We tried cow girl, doggie but I had to see her lovely swelled boobs moving so decided to end at mish.

We had 10min left so she offered me a shower but I found her too exciting to talk to so we just cuddled and chatted.

I would for sure go and see her again ASAP.. oh what an amazing treat she really is.
