The Story:

Maxes is a great agency the only one I use - it is very professional with great girls! however this is the only time I have been disappointed - she looked nothing like her photos, in very bad shape, old and tired looking! Of course I still got tucked in as I was there and had nothing better to do - she has a massive vagina in fact takes a fist with ease, she is also a squirter. Not a good punt in fact I felt like she should have paid me she got off loads and I didnt! Dont take this review as a bad one of Maxes just avoid this one.
