The Premises:

Very clean, if soemewhat sparse flat. Discreet location. Felt very safe. Near communal entrance so no long corridors to navigate.

The Lady:

Petite and pretty. Large pillowy breasts. Nowhere near as pert as the photos on her ** site. Those photos must have been taken quite a few years ago. Very nice body regardless.

The Story:

This was my first punt. I was very nervous about the whole thing but pre-punt communication with her was very good and she put me at ease. Once I was there she did her best to relax me and it worked.

Good OWO with CIM to finish. Then twice more, in various positions, before the hour was out. In between rounds she gave me a good massage and we spoke about various things quite pleasantly. Was offered a perfectly good shower before and afterwards.
