The Premises:

Value hotel near Dartford bridge, used a number of times, it seems a few girls work from here. Easy to get to, clean, safe and you don't have to go through reception.

The Lady:

Was attracted by here profile pictures under hot angela. She was wearing the black tacky see through dress and these pictures are fairly accurate. The third picture in silver lingerie is not here. Stats are correct, probably size 12, 36DD, but with noticable tummy. Dark hair to shoulders, plain face.

The Story:

Should have left on seeing Angela, but as usual led by cock. Agreed an hour. She lay on the bed and I stripped off, no real conversation. Onto bed and she immediately started oral without on my soft cock. This actually became quite good. After some minutes, I asked for ball rubbing and a tit wank. I suggested I stand in front of the mirror for more oral, then on with the condom and fuck in doggy. Pulled out and asked she kneel down in front of me and I wanked myself over her tits. Cleaned myself up and had a shower. Decided to leave early and asked for a refund, which she refused. Overall an ok punt if you like big girls who are willing and only want a quick fuck, but I prefer pretty slim girls with a personality and who actually talk to you.
