The Premises:

The establishment is clean enough but the receptionist was upstairs with the girls having her break which meant me disturbing them and walking up to where the girls room is.

The Lady:

Tina is early 20's? nice slim fit small boobs 34 A? pretty.

The Story:

Went in the room got naked she played with my cock for about 1 minute then on with the hat and done some oral with her body between my legs leaving everything out of reach no eye contact 2 minutes later she was climbing on top and riding me 2 minutes later she said ok you on top mish came left.

Abysmall ive been here before and seen other girls that perform better and are interested in the job but still for ?25 its not the best.
