The Premises:

A basement flat in the shadow of BT Tower. Clean and easy access.

The Lady:

A slender brunette with an outstanding figure. Stunning blue eyes, wonderful long legs and a peach of a bum. The photo's on the site do not do her justice at all.

The Story:

I popped in with the intention to see an old friend, but she was busy in the shower and I saw Alex exit a room. Well, she is just my type of young lady and said I would be more than happy to see her. With formalities over, there was a lovely conversation about holidays as we caressed each other. That soon moved to kissing and clothes falling off. What a sight Alex is. You could feast on her all day. Well, some of the best ever owo and 30 mins soon flashed by.

I will have to go back and spend longer in Alex's company. She is an absolute pleasure to be with.
