The Lady:

Monica told me she is Slovakian, been living in the UK for several years now, her English is very good and she has a very sexy accent. Tallish lady with a curvy figure, perfectly formed natural breasts that fit comfortably in my hands, longish dark hair, when she introduced herself to me in the lounge area, I was instantly attracted to her, a very sexy lady.

The Story:

A very sweet and friendly lady with a glint of naughtiness in her eyes. This woman is eager to please, this was most definitely a WOW encounter. I enjoyed many things, french kissing, OWO, 69, RO, sex in different positions, she must be powered by duracell batteries cos she is a energizer bunny (for some unbeknown reason, it takes me ages to cum nowadays, I'm not complaining cos the sex lasts longer and I am enjoying it alot more), her cowgirl is simply outstanding and full of energy, she can keep at it for a very long time, I was luving it, the view of her riding me was fantastic and one last comment, she was squeaky clean and smelly fresh, for the first time in over a decade of punting, I licked a girls arsehole and I liked it!

I am a very happy man today, can't stop smiling. Thank you Monica.
