The Story:

Wow what to say about this punt, usually see another lady but was told she was on holiday. Was shown 4 Very nice ladies and something about Natasha jumped out. Selected and was shown to room. Slightly embarrassing another lady entered the room, felt bad but explained the mistake and soon Natasha turned up. All I will say about her is treat her nice and you will experience simply one of the best punts ever the best. A true experience of the highest quality can't wait to visits again and soon
