The Story:

Scarcely a few weeks after visiting Shakira for the first time (see the earlier report of mine) I found myself outside her familiar door once again requesting to be let in, 2 visits so close apart to the same girl is highly unusual for me, it reflects how highly I rated Shakira the first time around!

Like my first visit I arrived to find Shakira dressed as requested, she also recognised me after a few minutes and started chattering away like an old friend which I found a nice touch. I had had very pleasant dreams about my first experience in Shakira's bath and so with minimal fuss it was a quick mutual fondle, clothes off, into the hot water and into her mouth with my already throbbing cock. Shakira must have been practising :-)) because she enthusiastically and easily took my entire length before demurely making eye contact with me and almost causing me to cum right there and then.

Disaster averted and the hour progressed in much the same vein as my previous visit with me alternating between vigorously pounding her sweet little pussy to not so vigorously filling her mouth and throat with my cock. I've said it before and I'll say it again, Shakira can handle a pounding and a half whether its on her back with her legs over my shoulders or in doggie with me pounding her into the pillows she is a real pro. Round 1 eventually finished after a titty fuck with me exploding over her fabulous tits before collapsing in a heap on the bed next to her wonderfully sweaty body. A (very!) brief massage followed but Shakira was in a naughty mood and was soon back working her magic on my cock. With a twinkle in her eye she reminded me that she never got around to riding me the last time and that now is the time to put that right, or words to that effect. How she remembered not just me but what we did and didn't do during the last visit I don't know but fair play to the lady! A glorious session of cowgirl followed with Shakira bouncing around on my cock before I finally finished over her tits again. No time for a shower unfortunately as the hour was up but that didn't detract from a wonderful and wonderfully dirty hour with a very sexy lady. Shakira seems to

genuinely love sex and manages to combine dirty pornstar sex with a girlfriend's touch. I think I have a new favourite..
