### The Story:

When I arrived another punter had taken the master room and selected Ana so I was left with Maria. Which worked out perfectly for me as I wanted to see her anyway after seeing her pics on the site. Greated with a lovely smile very freindly lady once business was sorted out enjoyed nice deep covered oral enjoying the view in the mirror. Then moved on to my fav position legs up she seemed to enjoy it geniunely not fake moans like some girls do and she managed to take the deep strokes which most girls I find are unable to. 10mins or so lead to a very satisfying climax.After she cleaned me up and I on my way. Very glad to have seen this lady as she is a real gem. I have had mixed expereinces at this establishment but this one was well worth it. Didnt relly want to leave an fr as she is really nice and dont want her to booked up as im sure she is/ will be popular with fellow punters. Enjoy!! :)
