The Lady:

What more can be said about her? Tall, leggy and slender. Nice breasts with perky nipples. Lovely face with eyes you can loose yourself in.

The Story:

Have to thank rockuk for his FR, which gave me the idea to ask Helen to wear her schoolgirl outfit for this appointment...

My gawd, she didn't dissappoint - hair in pigtails, short grey skirt and knee socks with a white blouse and no bra. She outBritney'd Britney at her best. When I put my hand up her skirt, there was the cutest pair of white cotton panties, which came off before the skirt.

No roleplay stuff, just a straightforwardly excellent session of snogging, groping and oral.

I've been seeing Helen for about two years, and she knows exactly what works for me - basically the most sensual GFE possible, with many different twists to make every time feel fresh and special. I'm already wondering what our next time will bring.
