The Story:

Meeting Lottie was awesome I got to say, I enjoyed every second, was greeted with her wearing some underwear under a robe I believe it was and could see her boobs poking out, she looked lush. I was offered a shower and accepted, went into the bedroom and we stood for quite a while french kissing with passion and every now and again she would touch my cock through the towel I had on and then she went under the towel and I was so hard by this point...we went to the bed I kissed alot more then I asked to go down on her and licked her pussie for ages, I loved it. Then she gave me OWO which was so damm good plus I was so aroused by this point I spirted my load in seconds, literally. However after a quick clean up I wanted more and on with condom she fucked me on top for a while, more kissing, then got off bent over and I took Lottie from behind, then she rolled onto her back and I fucked her for a while, more kissing, then I came again whilst we embraced. She didn't clock watch once and seemed to enjoy the whole experience also. Lottie says she is from Hungary, if I get a chance I'll be back, she did say she is a student and goes back and forth from Hungary to the UK. In Summary one of my best ever punts.
