### The Premises:

clean, the bedroom was a bit small

### The Lady:

average, looked better on the photos on the website

### The Story:

nothing great about this visit.

It looked like she was just trying to finish off the visit as quickly as she could.

All done is 30 minutes, but having paid for 1 hour.

I enquired about it not being 1 hour yet, she just kept saying it is 1 hour gone, when it was only 30 minutes, then just wanted me to be out of the door.

This was one of the worst time I have had in a very long while.

I know this is well below the Guildford Gold adheres to.

I had a great time with Julia and Venessa on my previous visits, so will still visit this place, but not to see carolina ever again.
