The Premises:

Nice flat in a neat, safe block on A21, not far from Bromley South. Entrance is adequately discreet from road and neighbouring flats. Very clean inside, you get shown to nice spacious bedroom which also has an ensuite bathroom, which is also spotless. I felt immediately at ease.

The Lady:

Pinky is gorgeous. She has a lovely face and great body. As soon as she walked in the room and smiled, I started getting hard. She's Malaysian, lovely and slim. She's fit and firm with good sized tits. I'd guess she's in her 20's.

The Story:

Pinky was very laid back and friendly. She suggested massage to start, but said it's up to me what we do. So, I went for kissing her lovely tits while stroking her body and legs, before moving down and licking her delicious, very neat pussy, concentrating on her clit while fingering her. She stopped me before she came and put a condom on me so we could fuck. I laid down and she got on top, so I could hold her arse as I thrust into her from beneath while she moaned "fuck me" until we both came at the same time. Brilliant. Had 10 minutes left so she gave me a very enjoyable asian massage. Felt fantastic at the end.
