### The Premises:

GFEs should be well known to all on punternet with myself and many others describing the safe CCTV parking at the back, the friendly helpful receptionists, the tea/coffees offered on arrival, the meet/greet reception room with the leather chairs where the lovely ladies come and say hello etc.

### The Lady:

Portia is an amazingly attractive lady, apparently under a different name she is well known on the Manchester scene and has only been working in Sheffield a couple of weeks. Without doubt a sex goddess has crossed the Pennines and landed in Yorkshire! This lovely lady completely has the 'WOW' factor, she's very tall and her height enhances her sheer attractiveness and gives her presence, I somehow felt I was in the company of a superior sexual being!!!! She has lovely brown eyes, with a very pretty face and attractive longish dark blond hair that has been recently done, (the website pictures show her as a brunette). Then she has exceptionally beautifully long smooth legs, a wonderful gym toned body, a gorgeous round peachy bum, a fabulous clean juicy pussy, a great all over tan and the most delectable super large enhanced bust you could ever imagine, in short a sex ATOMIC bomb!!!

### The Story:

After arriving at GFEs I was having a coffee and chat in reception, when Portia swept into the room wearing a rather fetching basque set with matching stockings smiled said hello and I was spellbound by all I described above! I followed her up to the top room hypnotised by this goddess. I enquired if she was up for the '100 service including A levels and she said she was on a discretionary basis as long as you're clean, polite, respectful and gentle. So after a shower we started with me massaging her (instead of the usual other way round!) with her face down on the bed while I rubbed her shoulders before working my hands down her back and all the way to her ankles only stopping off to caress her gorgeous bum, next she turned over so I could run my hands all over her front including gently cupping and teasing her delectable tits and teasingly tickling her fabulous pussy. After this interweaved with some light kissing I slowly licked her responsive nipples before licking my way down past her lovely pierced belly button to her juicy pussy and as she lifted her legs up I rimmed her fantastic arse as she giggled and said 'ooh naughty?'. Then we moved to a 69 as she gave me some great OWO I continued alternating between rimming her and licking her

juicy pussy in a delightful mutual oral pleasure fest! After this she moved round to concentrate fully on giving me further great OWO before applying a condom so she could mount me in a sort of standing cowgirl that after a gentle insertion culminated in her thrusting down hard on my super stiff cock. Next we moved round to doggie position and the sight of her manoeuvring her marvellous body round and pointing her gorgeous bum at me is a sight I will long remember. I entered her fabulous juicy pussy for some great thrusting excitable enjoyment, before I withdrew we both checked the condom then I slowly and delightfully with her hand guiding my hard cock carefully entered her arse. Only the tip at first and I enquired if she was ok while just keeping a steady light pressure. She said she was fine then as she relaxed my cock slid the rest of the way in and we were both into it in a big way by this stage, I began thrusting carefully in a steadily mounting haze of pleasure while she started writhing and shouting wonderful obscenities then I reached a hand round her front and she playfully sucked on my fingers before I started caressing and squeezing her super delectable big tits and as I did this I reached a peak of ecstasy and delivered bust upon fantastic burst of cum into the condom in her peachy bum! WOW what a goddess. We wound down with a chat, clean up and another shower before we made our way back down stairs where I thanked her had a soft drink said goodbye and made my way out and back into the Sheffield traffic with not just a silly grin on my face but an incredible post punt high that I'm still savouring a day later writing this after tasting the favours of this amazing lovely lady.

So GFEs great place, mesmerising lovely lady, intensely pleasurable experience.
