The Premises:

Well known walk up next to restaurant. Other side of road is theatre so reasonably discreet for Soho!

The Lady:

Thai girl. Beautiful face and Busty too. Late twenties. Very petite sort from enhancements.

The Story:

Was going to go for quick one but was knocked out by her friendly attitude and beautiful face! Decided for once to push the boat out and am glad that I did. What followed was absolutely fantastic girlfriend experience. Very caring and attentive. Sensual and sexy and funny (not what I went there looking for!) but the kind of service I would expect from high class escort. Kind of restored my faith in punting.

If you want to experience a true gfe with a stunning young lady I strongly recommend Yaya. I think she is either a superb actress or more likely is quite new to this line of work. She seems very very popular!!
