The Story:

This was the first time I went to massage parlor so I was little nervous. i went to parlor for Meagan but she was not available, only three girls were available, out of them I chose Callisi because she was very beautiful and she introduced herself with a peck on my cheek. we walked upstairs and went inside the room. She sat on bed and asked me "where is my kiss ?" first point where I impressed. we kissed and I hugged her, we got naked by kissing only. she gave a OWO which was great which followed by sex on different positions and some more OWO. we then had some chat, I payed her and we walked downstairs. I must say she made me feel very happy for the first time.

i would definitely go back to the parlor and I would recommend this girl to get a real girlfriend experience.
