city centre apartment, with secure car parking. easy to find and very private.

### The Lady:

Francesca is absolutely stunning, luscious long burnette hair, great smile, perfect body and her legs goes on for miles.

### The Story:

Francesca had the brightest smile when she welcomed me through the door, which made me felt at ease straight away. She was dressed splendidly like I expected and I was more than happy when she showed me what was underneath. Francesca was witty, funny, very easy to get along with and gave the best GFE ever. The 2 hour experience flew by too quickly for my liking & I am already planning our next encounter!
