The Premises:

Her place was a good sized flat , above regular standards. Easy to find reach , 2 minutes away from Paddington Tube station. Felt safe.Very clean and tidy interior, clean bathroom and fresh towels.

The Lady:

Jordan is so much more sexy then in the flesh. Blonde with a lovely face, splendid breasts (natural, soft and just asked to be stroked and kissed) not big but adequate , long legs , a fantastic bottom and the neatest pussy I've ever seen.

The Story:

As it is not my first time with Jordan (this is our second meeting) I want first to thank the agency as they were very helpfull and pointed me towards her first time.

Can't use many words so will get staight to the point. I had opted for a bit of everything - and all that I asked for and more was provided...very well!!!

We started off with a nice cuddle and and snog on the bed, and Jordan then started on me...wanking me while rimming...Yum!

Then we moved into a glorious 69. Jordan really eager to suck me, gave me an excellent unprotected blow job, witch I had to stop or I would shot my load into her mouth. Then on with a condom on , Jordan squatted on my hard cock and in short time I cum inside her pussy.

Back to the bedroom after a clean up for more shagging , snogging and general naughtiness! Her body is a real treat and her mind is a storehouse of fun if you want it, dirty if you prefer it...and I preferred!

There is no real time limit, Jordan is individual, lovely young woman, unexpected and fabulous. A beautiful experience! Would definitely return back.
