The Premises:

Hotel in center of Kingston. Busy safe area. Chanelle gave me the floor then opened the corridor door to me and led me to the room.

The Lady:

Very pretty lady from Asia. Approx 5'4", size 8, 34B, slim with wonderful breasts and bum. Wearing black lingerie with stockings.

The Story:

I was running some 40mins late for our meeting, but Chanelle was fine and agreed 20mins as she had another meeting straight after me. Stripped quickly off and standing up Chanelle started kissing all over my chest and quickly dropped to face my rapidly expanding cock, straight into excellent oral w/o, Wow!. Then onto the bed for more oral then I suggested we start sex and on with the condom she lowered her beautiful pussy down onto my cock. After a few blissful minutes, swapped to reverse cowgirl. Then decided to fuck her doggy with me standing up and Chanelle on all fours on the bed. Asked if I could cim and she said yes please. Pulled out, took the condom off and Chanelle started sucking then as I was coming she started wanking me into her mouth and onto her face, what a sight with my spunk dripping down her face. Quick shower and kiss goodbye. Fantastic punt. Highly recommended.
