The Lady:

WOW! Gwen is simply stunning. One of the most beautiful ladies I have ever met. This is why we do this hobby, in the hope of meeting someone like Gwen! As per her profile, she is actually better looking than the photos. 5'8", size 8, 36D, slim with the most perfect breasts and body to die for. Spanish lady with perfect English.

The Story:

Not only is Gwen stunning but she has the most wonderful friendly and sexy attitude. She was wearing exactly as requested; white lingerie with proper white stockings and high heels. First time for so long that the lady has actually done me the service of wearing what I had wanted. In between stripping off we kissed passionately, something I have rarely experienced. Onto the bed and more kissing then amazing oral w/o, just wonderful. I decided I wanted to taste her pussy, something I do even more rarely. This was so enjoyable, I think for us both. Then on with the condom and Gwen lowered herself onto me, holding me, wanting me, then she swapped to reverse and then I got on top to the most incredible orgasm. Clean up and good chat, Gwen is very interesting. Then more kissing, more fantastic oral and this time I took her in doggy to another incredible orgasm. This was without doubt one of the best punts of my life. Gwen is just perfect for me. Am I in love? I think so, or at least in total lust for her. Wish I could keep Gwen all to myself.
