The Premises:

House to the north of Guildford off the Aldershot road. Safe residential area. House was clean and tidy.

The Lady:

Nicole is from Thailand, about 5' 6" slender figure about 34B. Long black hair and shaven. Age mid twenties.

The Story:

Nicole was guesting at this house for a couple of weeks - like a guest ale at a pub. Fee included ?10 for FK but she was not that keen which was a disappointment. Anyway, started giving her nipples some attention then proceeded to RO which she seemed to enjoy. She may have come. On with the condom for a minute's oral but soon into mish (lubed) and finished after a few minutes in doggy. I got the impression she was keen to get it over with. I wasn't timing it but I think I was out well within the 30 minutes. She was okay but not what I'd call enthusiastic. If you go to this house see Annie - she's lovely.
