The Premises:

good hidden entrance, around the back. Quite nice inside, shown straight to the bedroom.

The Lady:

she was dressed in a sexy PVC outfit, part Russian/Polish?
But her English is very good.

The Story:

After getting the money out of the way, she was very welcoming at the door, smiles all the time, she began kissing as if there was not tomorrow, lovely mouth. Running her hands all over me, couldn't wait to get my things off. I started by undressing her slowly, then i took my clothers off, her boobs are large and heavy, nipples to die for, and does she loves them being licked and bitten. Her fanny juices are fantastic too, Her BJ was something else too, i shall be returning, she said she gives a brilliant massage. With a body like hers, I can believe it. Be sure to visit her and treat her will loads of respect. And enjoy
