The Lady:

Lucy is slim and elegant wore a slinky little black dress for me , stocking and suspender, just as I had requested. WOW she looked gorgeous.

The Story:

Lucy's website and her "cheeky" photos and description appealed to me, but wow was I in for a surprise - Lucy is sex on legs, she was described as open minded, she certainly is - what a naughty girl just what I wanted, but unfortunately not enough time to fully enjoy her full range of services. Next time I am in London - well maybe an overnighter as she is 5 star.
