## The Story:

This is my farewell to punting after around 35 years, on and off. At no point could I get it up and it's time for Grizzly to hang up his condoms. Don't get me wrong - nothing wrong with the place, the girls or anything, but I realise that I simply don't get the bang out of this any more.

Thank you to all the etsbalihsments and the girls who've been such fun all these years, especially Victoria House in Lutterworth, the late lamented Venus in Oxford and of course LMP, God bless her.

Je ne regrette rien. Goodbye and go well.
